Prayer Points

Continue to pray for full recovery for Hazel Gordon following a recent car accident, and pray for others who are ill or suffering with poor health or struggling with the effects of getting older.

As we approach the autumn period with new sets of meetings and events, let's pray that the Lord will give us strength as a church, increase our vitality together, and enlarge our vision for what we might be able to do in his strength in the local neighbourhood and in other places where God has called us.

The London Baptist Association has asked us to pray for all those who work behind the scenes to oil the wheels of church life, particularly for those churches where the administrative work is becoming a burden and the church's mission is poorly affected as a result. They ask that God will stir up a spirit of generosity among us so that ways can be found to share people, time, skills and experience with one another, providing practical help to churches struggling in this area.

Political crisis has flared up in Honduras. Pray for progress in negotiations between the political parties, that a peaceful resolution will be reached. Pray also for the unity and participation of the local churches as they seek to make a stand for peace and justice.

23 August 2009

Our congregation is made up of ordinary people meeting together to worship God. We are united in our faith in, and love for, the Lord Jesus Christ, and hope that you sense the presence and power of the Spirit of God as you worship with us.

Refreshments are served after the service, so please stay for a cup of tea or coffee and a chat.

THOUGHT FOR THE WEEK

'God is not unjust; he will not forget your work and the love you have shown him as you have helped his people and continue to help them. We want each of you to show this same diligence to the very end, in order to make your hope sure. We do not want you to become lazy, but to imitate those who through faith and patience inherit what has been promised.'

Hebrews 6:10-12
